Sister School Donations

Happy Holidays from the Sister School Solutions! We are hoping RCE can make it a great holiday for families both in our community as well as at Sherwood Elementary. December 5th an angel tree will be setup in the RCE lobby for us to pick out an ornament designated for a family in need. Once you have picked up an ornament, sign it out next to the tree, and bring the unwrapped item back to RCE by end of school day on December 14th so that we can deliver the gifts in time for the holiday break. If you have any questions or would like a Sister School Solutions member to pick an ornament for you please contact Mary Vega at mgallagher88@hotmail.com or (713)299-4560.

Call to Action on the School Finance Crisis

Important call to action from Spring Branch Speaks! Please read and call. If you did not receive the information below directly from Spring Branch Speaks, please join www.springbranchspeaks.com. The success of our district depends on you staying informed and acting!

We need your help. The Texas Legislature will convene in 40 days on January 10, 2017. As of today, there are NO legislative proposals to fix the school finance crisis. SBISD faces a financial cliff that may lead to drastic budget cuts. If the legislature does not act THIS session, SBISD will face a \$17M budget shortfall next fall (the 2017-18 fiscal year) as our recapture payment increases from \$66M to over \$93M. To put this in perspective, \$17M is approximately the total SBISD has budgeted for Student Transportation (\$7.4M), Health Services (\$3.6M), and Co-Curricular / Extracurricular Activities (\$6.1M).

Please call the legislators and leaders listed below, and let them know that the children of Texas deserve better. Specifically:

1) Contact Lt. Governor Dan Patrick's office and ask him to identify school finance as a priority for the upcoming legislative session. He does NOT currently have it as a top twenty issue.

2) Ask legislators to:

- Eliminate recapture (Robin Hood) for SBISD and all other school districts serving majority poverty student populations. 56% of SBISD students are economically disadvantaged.

- Eliminate the homestead exemption penalty from the recapture formula. SBISD is one of a few districts that offers a homestead exemption but it must pay recapture on money it does not collect. That is unfair and must change now.

- Fairly count full day pre-K students as full day students. Pre-K currently counts as half day, which hurts districts offering full day pre-K programs, such as SBISD.

Our children, our educators and our community need you to act now. Please call today. For more information on recapture and the SBISD financial crisis including a helpful video explanation, click "School Finance" on the SBISD web site or visit: <https://shapingspringbranch.blogspot.com/p/home.html>

As always, we will keep you updated on specific legislation as it becomes available. Thank you for your continued support.

Watch DOGS

WATCHDOGS!!!! We are off to a great start this year with almost 80 Watchdogs on campus already. We have a total of over 200 Watchdogs volunteer days already signed up for and only have about 90 slots open after the first of the year.

Our 1st year program has been a huge success, and we can only do better. If you have been a WatchDog already please share your experience with your friends and neighbors and encourage them to get signed up ASAP.

Please send this link to those dads that have not signed up yet and let's get everyone involved.

Thank You to all that have volunteered. I know our kids, teachers, and our entire community is feeling the impact. Keep up the great work.
